

# Words on the Wing

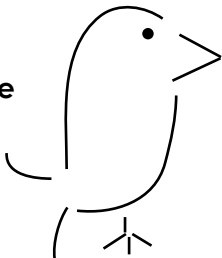

Many poems, like Emily Dickinson's "Hope," have rhyming words at the end of the lines. In this activity, you will identify the rhymes the author used, and then write some rhymes on your own.

**Directions:** Find the rhyming words in Emily Dickinson's poem, and then write your own rhymes.

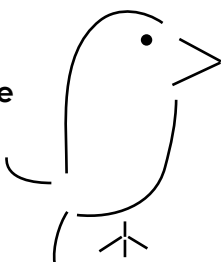

**Section 1: Write rhyming words from each verse of the poem next to the bird, then think of two additional rhyming words of your own.**
